

FAMILY BREAK

Itinerary

DAY 1

Having checked in at 3pm, there's still plenty of time to get your bearings and enjoy a walk on the promenade (weather permitting).

2023 is officially The Year of the Coast and we hope your stay with us includes making the most of our prime position close to the seafront.

In total the seafront stretches for 3.7 miles and there's plenty to enjoy along the way including a stroll on South Parade Pier, hire a swan-shaped pedalo on Canoe Lake or play a round at the links course that is officially the oldest pitch and putt in the world.

Having worked up an appetite, why not come back to the Queens for dinner. You can check out the children's menu here.

DAY 2

After a delicious breakfast at the Queens, why not take advantage of our exclusive offer for guests to take a flight on the hovercraft to the Isle of Wight? Queens Hotel guests can get 20% off the travel price by using our discount code.

Ryde is a great place to visit and you can use the rail link to explore further.

Having flown back to Southsea (it takes just 10 minutes), why not hot-foot it to the Spinnaker Tower for a different view of the city.

DAY 3

For your final day in the city, we suggest you immerse yourself in the history of Portsmouth.

After breakfast make sure you speak to our reception team who will be able to share our special Queens Hotel code to secure you and your family a discount at the world famous Mary Rose Museum.

A visit to Portsmouth Historic Dockyard is a must – and they have ticket options to suit your needs including an ultimate explorer ticket that lasts for 12 months.

Fort Nelson is holding a free bunny hunt and activity trail 1-16 April and free falconry flying displays 1 & 2 April and 15 & 16 April.

Check out the Visit Portsmouth website for details of other activities taking place over this half term.
